The network  
for life science  
executive leaders

Connecting life science  
and healthcare corporates  
with capital and deal-makers  
as part of Europe's biggest  
healthcare investment week.

Returning for its seventh year and back in person, Inv€\$tival Showcase offers up 5 incredible stages for Startups, Series A, B and Public Biotech, Medtech & Healthtech and Women's Health companies. They'll deliver news and deal flow and raise their profile with an active and curated audience of investors and strategics. Additionally there's a headliner stage, masterclasses and dedicated 1:1 partnering all rounded off with the European Lifestars Awards.

The Show continues its exclusive partnership with global investment bank Jefferies, with the showcase serving as the kick off to Jefferies week and the Jefferies London Healthcare Conference.

**Join us in 2022 for a festival of investment and deal-making in London!**

# Virtual IPO Bootcamp

## Tuesday 8<sup>th</sup> November

In line with our mission to support funding, financing and deal making in the sector, LSX teaming up with the world's foremost experts, advisers, bankers and consultants to help CEOs and CFOs navigate the how, what, where and when of a successful US IPO.

The Bootcamp will be held virtually as a pre-event workshop the week before.

The IPO Bootcamp is an invitation only online workshop, and series of 1:1 consultations. It provides CEOs and CFOs of life science companies

contemplating a US IPO a unique opportunity to come together for a series of frank and open discussions with peers, case studies from executives who have recently been through the process, and for tailored and 1-2-1 advice with the region's foremost experts, advisers, bankers and consultants.

The IPO Bootcamp is by invitation only for qualifying companies.

If you are interested in a seat at the bootcamp please message [josh@lsxleaders.com](mailto:josh@lsxleaders.com).

# Why sponsor Inv€\$tival Showcase

The Inv€\$tival Showcase offers a limited, yet highly valuable number of opportunities for those that wish to raise their profile, enhance their brand, demonstrate thought leadership and access and engage with leaders across the life sciences ecosystem.

We are presenting tremendous opportunities for top tier companies who would see the congress as a platform to:

**Demonstrate thought leadership and position** your organisation at the forefront of the life sciences and healthcare industry

**Educate potential new clients and partners** about your unique offering, service or solution

**Access and develop meaningful relationships** with decision makers

**Host a stage / track of the showcase** to lead the discussion on an industry subsector

**Be seen as an obvious partner of choice** in your specific area of expertise

**Raise your profile** during the biggest week in European Life Sciences investment
